AMERELLER

AMERELLER is an international law firm with comprehensive corporate and dispute resolution offerings tailored to the Middle East and North Africa. It is one of the leading firms in the region with more than eighty lawyers working in fully-integrated offices in Baghdad, Berlin, Cairo, Damascus, Dubai, Erbil, Jeddah, Munich, Rabat and Tripoli with country desks for Tunisia and Algeria. AMERELLER is established in Saudi Arabia through a strategic partnership with Sofana R. Dahlan Law Firm (SRDLF), founded by Sofana Dahlan.

ABOUT US

Our lawyers are sensitive to the cultural and legal nuances of conducting business in the MENA region, and are often retained as local counsel on major projects and transactions in the region. We are known as a “go-to” firm for transactions in difficult markets including Iraq, Libya and Yemen. We offer clients a unique platform that bridges global legal standards with local depth. The collaboration combines AMERELLER’s international reach across the MENA region and Europe with SRDLF’s pioneering Saudi practice. This integrated approach allows us to support multinational corporations, investors, governments, entrepreneurs, and international organizations with comprehensive, future-ready legal advice in Saudi Arabia and across the wider Gulf.

HOGAN LOVELLS

Hogan Lovells is a leading global business law firm with more than 2,800 lawyers across over 35 offices in 18 countries, and a history spanning more than a century. We are ranked among the top five global law firms and provide comprehensive, full-service advice to companies across all key areas of law. Our approach is sector-focused: drawing on the deep international industry experience of our lawyers, we quickly assemble experienced, cross-border teams that work seamlessly and deliver integrated advice. In this way, we support our clients in positioning themselves successfully within a dynamic and constantly evolving economic and regulatory environment. This experience enables us to manage large-scale and technically complex mandates in a structured, efficient manner, build trusted relationships, and develop sustainable, commercially viable solutions together with our clients. With our strong global presence, we support companies, investors, and public institutions in the successful execution of their projects and the effective protection of their interests. Hogan Lovells stands for excellence in legal advice, a strong commercial understanding of regulatory complexity, international connectivity, and a deep appreciation of local particularities.

ABOUT US

Hogan Lovells has maintained a long-standing presence in the MENA region and has successfully supported complex projects in the energy and infrastructure sectors for many years, including from Germany and London. With offices in Riyadh and Dubai, the firm is also firmly established in the region and provides comprehensive advice to companies, investors, and public sector clients on large-scale projects, plant construction, and complex disputes. Its work is characterized by a deep understanding of the regional business culture, key decision-making processes, and the particular dynamics of negotiations within international consortia.
